Instructions - Please Read!

This dynamic table contains object codes available for use in BUY.IU. Enter a KFS object code, BUY.IU object code, or keyword in the search field below on the right. The drop down menu next to the search field allows you to limit your search to specific columns. By default, all columns are checked/searched.

The table updates to reflect BUY.IU object codes which may apply to your situation.

Note: This table represents suggested object codes. Always verify object code usage with your Fiscal Officer or a similar individual in your department.

Submit a Support Form with questions related to this resource or BUY.IU object codes. Click here to see the data in Excel.

ID	Object Level	Object Level Name	BUY.IU Object Code	Object Code Name	Definition	1099 Taxable?	Policy, SOP, and Guideline Links	KFS Object Code	KFS Object Code Description
2	COSV	Contractual Services	4074	SUBCONTRACT SUBJ TO ICR (FIRST $25,000) (Service)	Use for the first $25,000 of a subaward when indirect costs are allowed on the subaward. This is the most common selection, and is frequently used in tandem with 4075.	Non-Emp			
3	COSV	Contractual Services	4075	SUBCONTR AFTER THE FIRST $25,000 (Service)	Use for any subaward amount that exceeds $25,000. This is frequently used in tandem with object code 4074 in instances when only the first $25,000 of the subaward may incur indirect costs.	Non-Emp
